You get the Full document info page with Article abstract by clicking on the Abstract beside a record on the Basic document info page.

- At the top of the page you can choose SFX to fetch the fulltext image of the article or Table of content to go to the content of the journal issue in which the document appears.
- You can add the article to your collection Add to collection, or if already added, delete it from your collection Delete from collection
- Clicking on an author name will give you all documents by that author.
- Clicking on one of the key words will give you all documents with that key word.
- Clicking on the journal title links you to the ELIN homepage of the journal.
- Clicking on the Export give you the option to download the bibliographic data to either Reference Manager or End Note.
- The arrows → and ← at the top of the page will take you to the next/previous record of search results.

Below the "Full document info" there is an icon ↩ that will bring you back to the Search result page.
