Date: 12-08-2009

Dear respected Sirs,

As per the editorial note cited in 4OR, No.1, March 2009, I corresponding author, M. Sreenivas, take this humble opportunity to request you that I was intimated the good suggestions in the year 2007, through email from your side, related to the article, based on the consequences, I have been stopped such type of submissions to the Journals.

The co-author, which was mentioned in the article, is no way related to this matter, as it is not in the notice of him. It was happened without consulting the person. He is completely unaware of the article.

I sincerely apology to the entire Mathematics community for taking such steps in 2007 and the past history of 2007 will not be repeated in the future attempts.

I request your goodself to kindly think this matter with magnoliant heart and pursue this matter favorably on humanitarian grounds. I once again promise you to carry satisfactory work towards the Journals by following the respective rules.

Thanking you sirs,

Yours sincerely  
M. Sreenivas 12/8/09  
(M. Sreenivas)
