Education

- Ph.D. Astronomy, Leiden University, The Netherlands, September 2005
Supervisors: Prof. dr. M. Franx and Prof. dr. P.G. van Dokkum
 - M.Sc. Astronomy, Leiden University, The Netherlands, August 2001
Supervisor: Prof. dr. M. Franx
 - BA Astronomy, Leiden University, The Netherlands, August 1999
-

Research Positions

- Full Professor (*Hoogleraar*), Ghent University, Ghent, Belgium, 10/2018 - present
 - Assistant Professor (*Docent*), Ghent University, Ghent, Belgium, 02/2018 - 10/2018
 - Group Leader, Max-Planck-Institut für Astronomy, Heidelberg, Germany, 2016 - 2018
 - Research Scientist, Max-Planck-Institut für Astronomy, Heidelberg, Germany, 2011 - 2016
 - Postdoctoral Fellow, Max-Planck-Institut für Astronomy, Heidelberg, Germany, 2008 - 2011
 - Associate Research Scientist, Johns Hopkins University, USA, 2006 - 2008
 - Assistent Research Scientist, Johns Hopkins University, USA, 2005 - 2006
 - Research Assistant, Leiden University, The Netherlands, 2001 - 2005
-

Supervision of Students/Postdocs (chronological)

- Marco Martorano, PhD student at Ghent University, 2021 - present
 - Irham Andika, PhD student at Ghent University, 2021 - 2022
 - Chiara De Vos, MSc student at Ghent University, 2020 - 2021
 - Sarah Vervalcke, MSc student at Ghent University, 2020 - 2021
 - Daniela Barrientos, PhD student at Ghent University, 2019 - present
 - Anand Utsav Kapoor, PhD student at Ghent University, 2019 - present
 - Dr. Aaron Wilkinson, postdoc at Ghent University, 2018 - 2021
 - Dr. Francesco d'Eugenio, postdoc at Ghent University, 2018 - 2021
 - Dr. Po-Feng Wu, postdoc at MPIA, Heidelberg, 2016 - 2019
 - Dr. Caroline Straatman, postdoc at MPIA/Ghent, 2016 - 2023
 - Josha van Houdt, graduate student at MPIA, Heidelberg, 2016 - 2021
 - Dr. Ivana Barisic, graduate student at MPIA, Heidelberg, 2016 - 2020
 - Dr. Priscilla Chauke, graduate student at MPIA, Heidelberg, 2015 - 2019
 - Dr. Kai Noeske, postdoc at MPIA, Heidelberg, 2014 - 2017
 - Dr. Michael Maseda, graduate student at MPIA, Heidelberg, 2011 - 2015
 - Dr. Yu-Yen Chang, graduate student at MPIA, Heidelberg, 2010 - 2014
 - Eve Matthaey, bachelor student at Princeton/MPIA, 2014
 - Dr. Karina Voggel, bachelor student at MPIA, Heidelberg, 2011
-

Successful Grant and Telescope Proposals (as PI)

- 2015: ERC Consolidator Grant (DLV-683184: 1884k EUR)
 - 2014: Deutsche Forschungsgemeinschaft Grant (WE 4755/4-1: 234k EUR)
 - 2014: VLT/VIMOS, Public Spectroscopic Survey (128 nights) – *LEGA-C: The Physical Properties of Galaxies 7 Gyrs Ago*
 - 2012-2014: LBT/LUCIFER (5 nights) – *Extreme Star Bursts in High-Redshift Dwarf Galaxies*
 - 2012: VLT/X-shooter (0.5 nights) – *Extreme Star Bursts in High-Redshift Dwarf Galaxies*
 - 2009-2010: LBT/LUCI (9 nights) – *ENGEL: Exploring Near-infrared Galaxy Evolution with LUCIFER*
-

Functional Duties

- NWO Vidi Panel member (Dutch Funding Agency), 2019
 - European AstroNet panel member, 2020 - 2021
 - NWO OC ENW GROOT Panel member (Dutch Funding Agency), 2019
 - Chair of SOC of the Workshop “LEGA-C and friends” , Ghent, May 2019
 - Chair of ESO User Committee, as representative for Belgium, 2019 - present
 - Chair of SOC of the Schloss Ringberg “Advances in Galaxy Evolution” conference, June 2017
 - HST Cycle 23, 24 Time Allocation Committee, June 2015/2016
 - Chair of Calar Alto Time Allocation Committee, November 2013 - November 2015
 - Koenigstuhl Colloquium Committee, March 2013 - December 2015
 - Strategic Time Allocation Committee at MPIA, November 2012 - November 2015
 - Calar Alto Time Allocation Committee, February 2012 - November 2013
 - Chair of SOC of the Schloss Ringberg “Watching Galaxies Grow Up” conference, December 2011
 - Peer reviewer for >30 articles in ApJ, AJ, A&A, MNRAS, and PASP, since 2006
 - Host of Oort professor J.E. Gunn, Leiden University, 2004
 - Public Outreach Committee, Leiden Observatory, 2003 - 2005
 - Institute Council (PhD student representative), Leiden Observatory, 2003 - 2005
-

Teaching

- Professor Cosmology (3rd BA), 2022 – present
 - Professor Galaxies (2nd BA), 2022
 - Professor Statistics and Data Analysis (2nd BA), 2019 – present
 - Tutor at retreat of the Heidelberg astrophysics graduate school (IMPRS), February 2017
 - Guest lecture “Galaxies” block course (Dr. F. Walter & Dr. G. van de Ven), March 2013
 - Teaching ‘Galaxy Formation’ at the HGSPF Winterschool, Obergurgl, Austria, January 2012
 - Guest lecture “Galaxies” block course (Prof. dr. H.-W. Rix & Dr. F. Walter), March 2011
 - Guest lecture “Galaxies” (Prof. dr. H.C. Ford), Johns Hopkins University, March 2007
 - Teaching Assistant “The Milky Way Galaxy” (Prof. F. Israel), Leiden University, 2002 - 2004
 - Teaching Assistant “Special Relativity” (Prof. P. van Baal), Leiden University, 2001 - 2002
 - Physics exam training for high school students, Leiden University, 2001 - 2004
 - Mathematics, Chemistry, Economics tutoring of high school students, 1996 - 1997
 - Private piano/keyboard lessons, ~ 20 students, 1990 - 2000
-

Publication Record (May 2023)

- **21 first-author refereed publications** – 3,044 citations
