

CURLEW

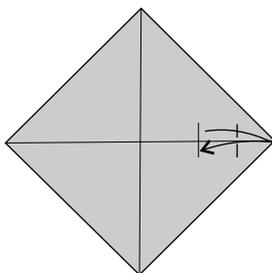

Tom Defoirdt
©2005 - Belgium

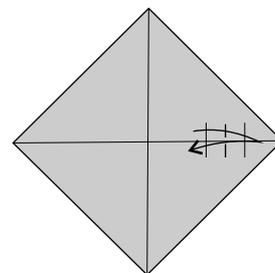

1. Fold and unfold along the diagonals.

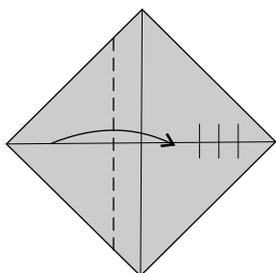

2. Fold the corner towards the center and unfold. Make the crease sharp only where it hits the diagonal.

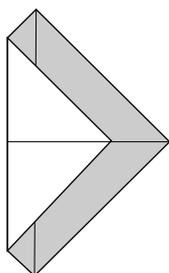

3. Fold the corner towards the crease you just made. Make the crease sharp only where it hits the diagonal.

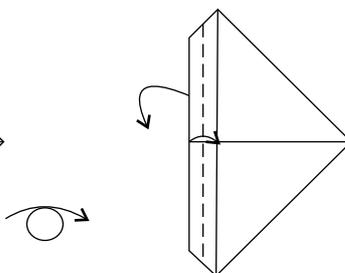

4. Valley-fold in such a way that the crease made in step 3 lies on the one made in step 2. Make the crease sharp only where it hits the diagonal and unfold.

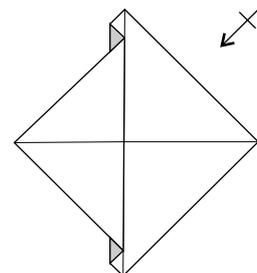

5. Fold the corner to the crease made in step 4.

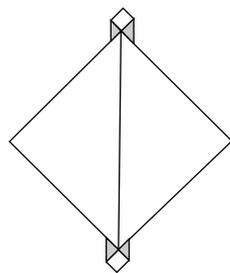

6. Turn over.

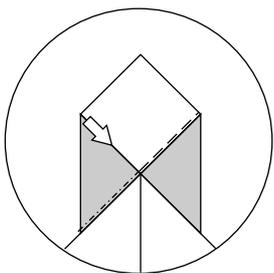

7. Fold the edge towards the center line, meanwhile bringing the left corner to the front.

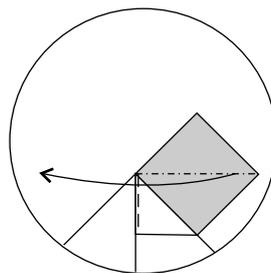

8. Repeat steps 2-7 at the right.

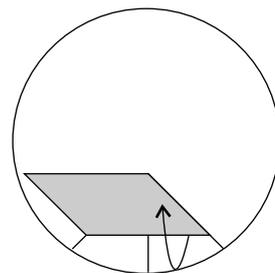

9. Like this.

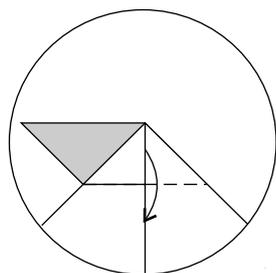

10. Enlarged view. Reverse-fold as indicated.

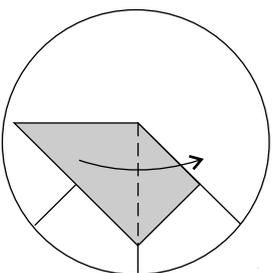

11. Squash-fold.

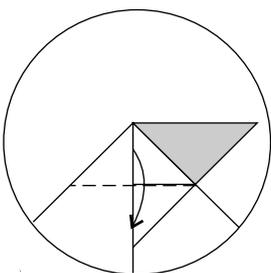

12. Bring one layer to the front.

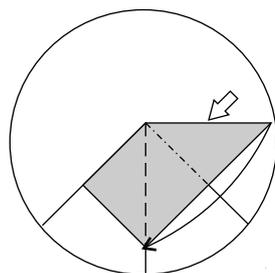

13. Valley-fold down one layer.

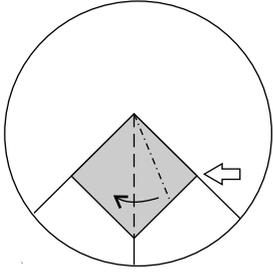

14. Fold the flap to the right.

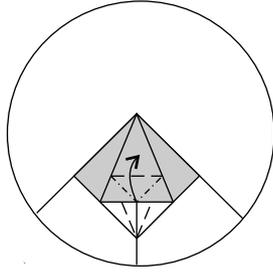

15. Valley-fold down one layer.

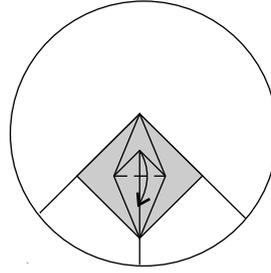

16. Squash-fold.

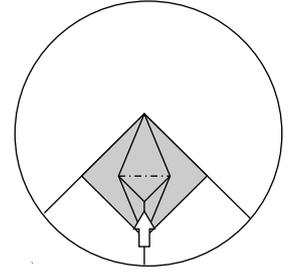

17. Squash-fold.

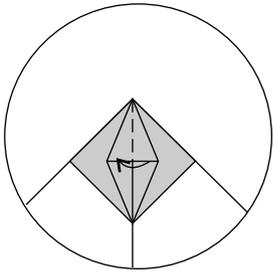

18. Petal-fold.

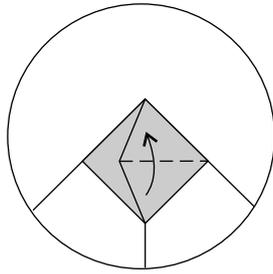

19. Fold the little flap down.

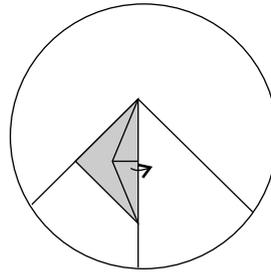

20. Sink the flap.

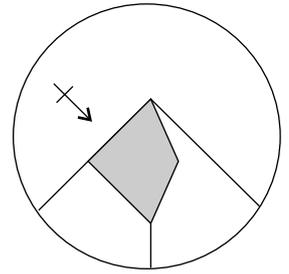

21. Fold one layer to the left in front.

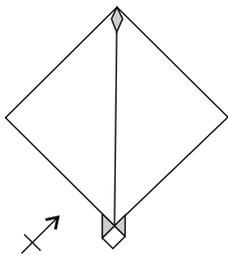

22. Fold one flap upwards.

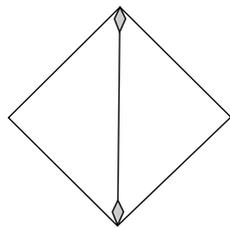

23. Fold two layers to the right.

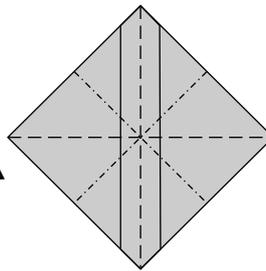

24. Repeat steps 17-23 at the left.

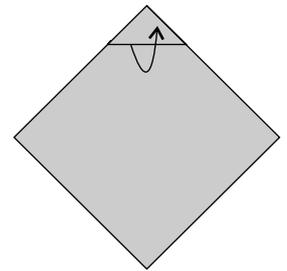

25. Repeat steps 10-24 at the bottom.

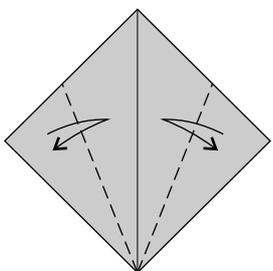

26. Like this. Turn over.

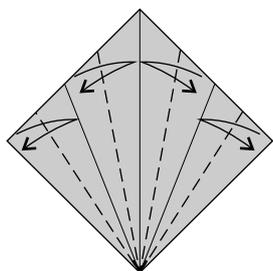

27. Enlarged view. Fold a preliminary base with the extra layers in the middle.

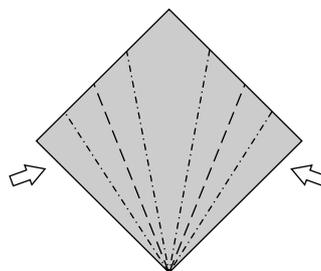

28. Enlarged view. Release the trapped layer. Repeat behind.

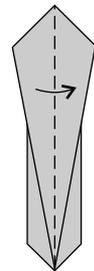

29. Fold and unfold along the angle bisectors. Repeat behind.

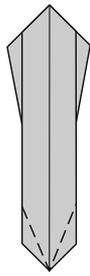

30. Fold and unfold along the angle bisectors. Repeat behind.

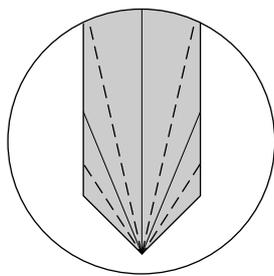

31. Open sink in and out along the creases you just made. Repeat behind.

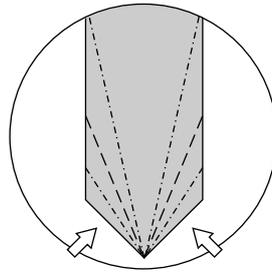

32. Fold two layers to the right in front and two to the left behind.

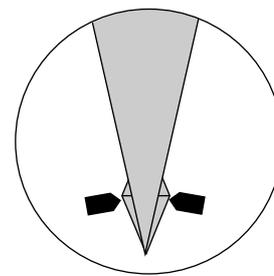

33. Fold and unfold along the angle bissectors. Repeat behind.

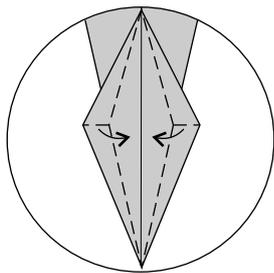

34. Enlarged view. Fold and unfold along the angle bissectors. Repeat behind.

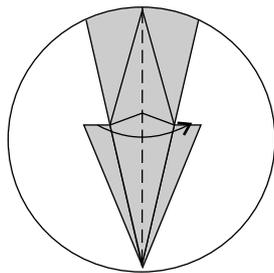

35. Open sink in and out on the creases you just made. Repeat behind.

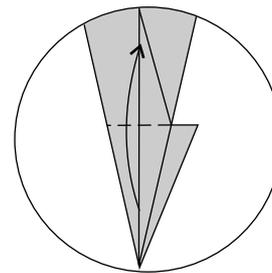

36. Like this. Next steps will focus on the small flaps which will form the toes (indicated with the arrows).

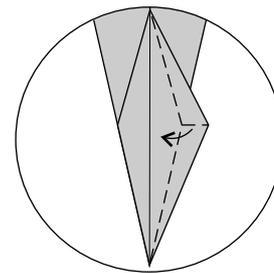

37. Enlarged view from the inside of the model. Rabbit ear.

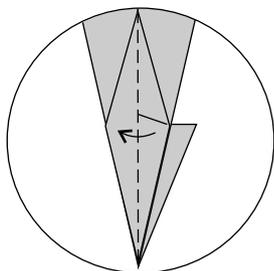

38. Fold two layers to the right.

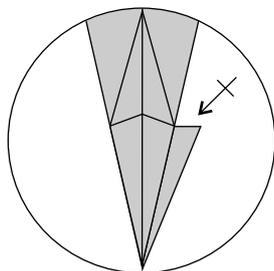

39. Fold one layer upwards.

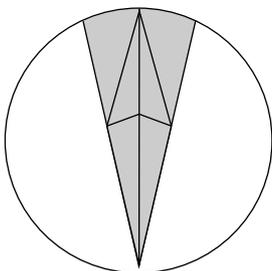

40. Rabbit ear.

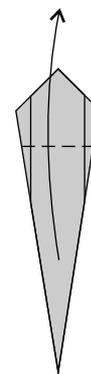

41. Fold the layers back to the left.

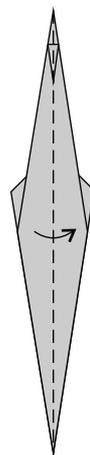

42. Repeat steps 38-41 at the right.

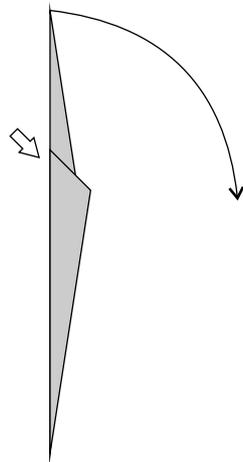

43. Like this. Repeat steps 37-42 at the other flap.

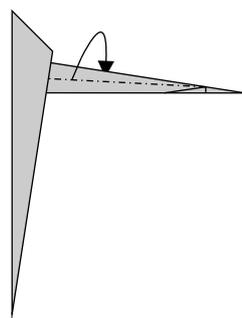

44. Fold one layer up in front as far as possible. Repeat behind.

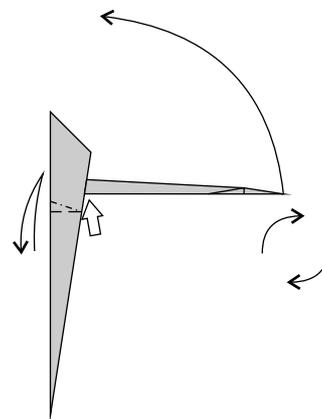

45. Fold the model in half.

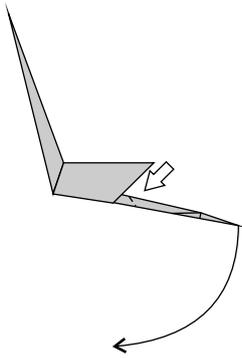

46. Reverse-fold the legs.

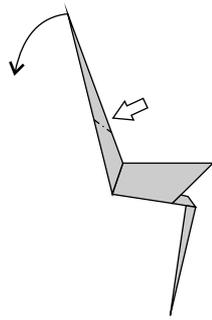

47. Mountain-fold the legs in half.

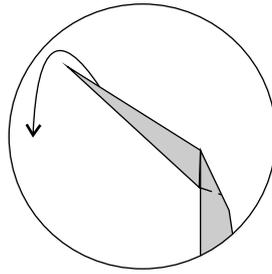

48. Reverse-fold the legs. Reverse-fold the lower 2 flaps together as indicated. Rotate the model 90°.

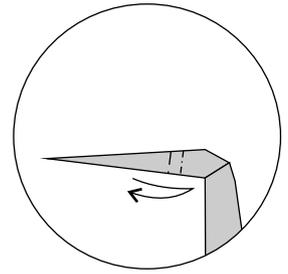

49. Reverse-fold the legs downwards.

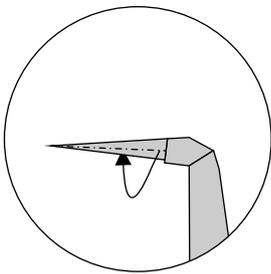

50. Reverse-fold two flaps together.

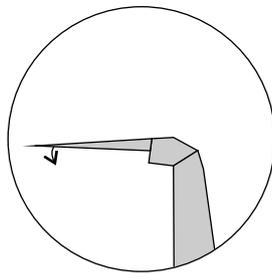

51. Enlarged view. Outside reverse-fold two flaps together.

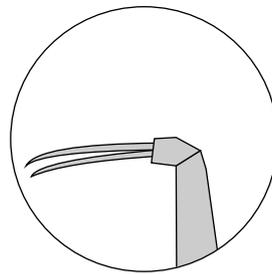

52. Fold the two flaps in and out as indicated.

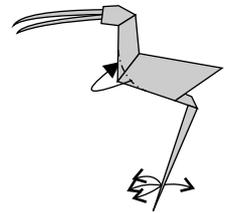

53. Mountain-fold the beak in half (squash-fold at the base).

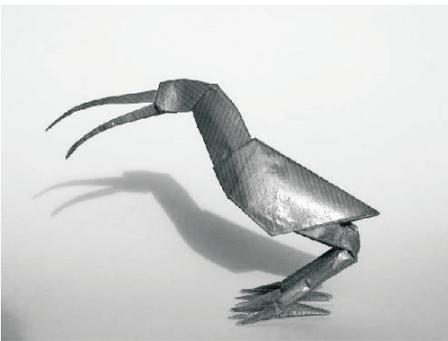

54. Round the beak and slide the lower jaw slightly downwards to open it.

55. Like this.

56. Mountain-fold to shape the body. Spread the toes: three in front and one (the thickest one) behind.

57. Finished curlew.
